

We are still in the planning stages but, below you will see a tentative itinerary for our trip to Houston and Galveston in 2012. I am tentatively planning this trip to be approximately \$300-325 per student which is comparable to the trip to Corpus Christi in 2010 and to Houston in 2008. The chaperon cost will be slightly more expensive because of single or double room occupancy. We have reserved 80 spots for students and parents that would like to travel to Houston. If you are interested in this trip we must have a non-refundable \$50 deposit for each person traveling prior to December 12th. Please fill out the attached trip agreement and return it as well as the deposit.
